

INTELISECURE RECOGNIZED ON PRESTIGIOUS INC. 5000 RANKING OF FASTEST GROWING U.S. COMPANIES FOR FOURTH CONSECUTIVE YEAR

Three-year, 205 percent average revenue growth fuels IntelliSecure's consistent ranking as one of the nation's fastest growing cybersecurity companies.

DENVER, Aug. 18, 2017 – [IntelliSecure](#), a leading provider of critical data protection services, today announced it has been ranked number 1874 on the prestigious Inc. 5000 list of fastest growing companies in the United States for the fourth consecutive year. IntelliSecure's ranking was fueled by its 205 percent average three-year revenue growth rate from 2013 to 2016, as the worldwide demand for critical data protection services continues to grow at a rapid pace.

With headquarters and 24/7 Security Operations Centers in Denver and London, IntelliSecure protects over 500 enterprise clients and more than one million users globally with managed security services tailored to protect critical data from the escalating frequency and scale of global cybersecurity threats. IntelliSecure empowers organizations to identify, prioritize and protect their most critical data assets by aligning a [business-centric approach](#) with its comprehensive suite of design, validation and managed security services. The company's scalable solutions and services are focused on realizing business outcomes and mitigating risk.

"We are proud and honored to be ranked consistently on the Inc. 5000, an important industry barometer and validation of our market success as a leading managed security services and solutions provider focused on protecting our customers' most critical data assets," said Steven Drew, IntelliSecure CEO. "This prestigious annual ranking is a testament to the dedication and passion of our employees and our disciplined business-centric focus to protecting critical data."

"The Inc. 5000 is the most persuasive evidence I know that the American Dream is still alive," said Eric Shurenberg, Inc. president and editor-in-chief. The founders and CEOs of the Inc. 5000 tell us they think determination, risk taking, and vision were the keys to their success, and I believe them."

The 2017 Inc. 5000 is the most competitive crop in the list's history. The Inc. 5000's aggregate revenue is \$206 billion, and the companies on the list collectively generated 619,500 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.
